WWD RESPONSIBILITIES:

1. Provide all materials required for the disinfecting and proper sealing of the abandoned well(s).
2. Arrange the rental and contracting of any equipment necessary for excavation.
3. Supervise the project to ensure project design is met.
4. Reserve the right to refuse any application.

LANDOWNER RESPONSIBILITIES:

1. Grant consent of entry to WWCD, its agents, servants, and/or employees with the necessary equipment for inspection, advertisement and construction of the project.
2. Not alter, remove, or modify the project without written consent of the District.
3. Indemnify and save harmless the Whitemud Watershed Conservation District, their agents, engineers, servants, and/or employees from any liability that may result from this project.

COST: Board covers 75% of total project costs; Landowner pays 25% of total project costs.
