

## BMP: NITROGEN MANAGEMENT PROJECT – Upgrading Manure and Incorporation Equipment

Upgrading manure injection and incorporation equipment – to be determined by delivery agent (up to \$30,000)

Equipment Upgrades must be accompanied by another PWCP funded practice (previous projects count as accompanying); OR the applicant must report of the change in nitrogen fertilizer use (fertilizer use before and after equipment upgrade on the **same** acres)

By initializing, I confirm the following is true:

This project is a new practice for my operation, or it is an expansion that I have implemented on new land/acres. \_\_\_\_\_ Initials

Equipment Type	Upgrade Type <small>(manure injection or manure incorporation)</small>	Total Cost	Eligible Costs	
Is there an accompanying practice? (yes or no)	If yes, list the practice and implementation year	District Staff Initials	If no, the applicant must submit a completed 'Appendix A' for to the delivery agent before payment is sent. Select 'I Agree'	Applicant Initials
