FIELD SHELTERBELT APPLICATION

WHITEMUD WATERSHED DISTRICT
Box 130 Neepawa, MB R0J 1H0
Phone: (204) 476-5019 Email: manager@whitemudwatershed.ca

APPLICATION DUE: January 29, 2027

This application only applies to field shelterbelts. If tree planting site is on a yard site and/or around buildings, than a WWD Custom Planting Application needs to be filled out. Trees for the project must be purchased prior to planting. Landowners can purchase trees through WWD Tree Application Program.

Please fill out required information and sign at bottom of application:

2027 PLANTING

_____ miles

WWD Responsibilities:

- Rotovate for weed control prior to planting
- Offer plastic mulch for all plantings
- Will provide basic weed control consisting of mowing between rows twice in year of planting
- May refuse to plant if site is not prepared
- May secure protection agreement and assume associated costs

Landowner Responsibilities:

- Provide access for staking, planting, weed control & inspection
- Shelterbelt site must be cultivated
- Supply additional weed control as necessary
- Place marker stakes supplied by WWD at planting site
- Protect plantings from livestock, chemical or fire damage
- Must allow for protection agreement to be placed on plantings
- Dispersal of any unused trees ordered by landowner
- Purchase trees through WWD Tree program or other source
